

Regence Clinical Edit List
Potential Investigational Full List
Applies to all Commercial Products (excl. Medicare)

Code	Description	Edit Type	Comments
00640	Anesthesia, Manipulation, Spine, Closed Proc, Cervical/Thoracic/Lumbar	Potential Investigational	Possibly investigational, documentation required: Submit operative report.
01936	Anesthesia for percutaneous image guided procedures on the spine and spinal cord; therapeutic	Potential Investigational	Possibly investigational, documentation required: Submit operative report
19296	Placement Of Radiotherapy Afterloading Balloon Catheter Into Breast After Partial Mastectomy; Diff Date From Mastectomy	Potential Investigational	Possibly investigational, documentation required: Submit operative report, medical and treatment history and radiology report
19297	Placement Of Radiotherapy Afterloading Balloon Catheter Into Breast After Partial Mastectomy; At Time Of Mastectomy	Potential Investigational	Possibly investigational, documentation required: Submit operative report, medical and treatment history and radiology report
19298	Placement Of Radiotherapy Afterloading Brachytherapy Catheters Into Breast At Time Of / Subsequent To Partial Mastectomy	Potential Investigational	Possibly investigational, documentation required: Submit operative report, medical and treatment history and radiology report
20957	Bone Graft W/Microvascular Anastomosis; Metatarsal	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
20974	Electrical Stimulation To Aid Bone Healing; Noninvasive (Nonoperative)	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
20975	Electrical Stimulation To Aid Bone Healing; Invasive (Operative)	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
20979	Low Intensity Ultrasound Stimulation To Aid Bone Healing; Noninvasive	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
21685	Hyoid Myotomy and Suspension	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
21199	Osteotomy, mandible, segmental;w/ genioglossus advancement	Potential Investigational	Possibly investigational, documentation required: Submit operative report, medical and treatment history
22505	Manipulation, Spine, Requiring Anesthesia, Any Region	Potential Investigational	Possibly investigational, documentation required: Submit operative report.
22851	Application, Intervertebral Biomechanical Device(S) To Vertebral Defect/Interspace	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
28725	Arthrodesis; Subtalar	Potential Investigational	Possibly investigational, documentation required: Submit operative report
32491	Removal, Lung, Other Than Total Pneumonectomy; Excision-Plication, Emphysematous Lung	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
32664	Thoracoscopy, Surgical; W/Thoracic Sympathectomy	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
33880	Endovasc taa repr incl subcl	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
33881	Endovasc taa repr w/o subcl	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
33883	Insert endovasc prosth, taa	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
33884	Endovasc prosth, taa, add-on	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
33886	Endovasc prosth, delayed	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
33889	Artery transpose/endovas taa	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history

Regence Clinical Edit List
Potential Investigational Full List
Applies to all Commercial Products (excl. Medicare)

Code	Description	Edit Type	Comments
33891	Car-car bp grft/endovas taa	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
33925	Rpr pul art unifocal w/o cpb	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
33926	Repr pul art, unifocal w/cpb	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
33975	Insertion, Ventricular Assist Device; Extracorporeal, Single Ventricle	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
33976	Insertion, Ventricular Assist Device; Extracorporeal, Biventricular	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
33977	Removal Ventricular Assist Device; Extracorporeal, Single ventricle	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
33978	Removal Ventricular Assist Device; Extracorporeal, Biventricular	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
33979	Insertion, Ventricular Assist Device, Implantable Intracorporeal, Single Ventricle	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
33980	Removal Ventricular Assist Device; Implanatable, Single ventricle	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
34800	Repair, Endovasc, Infrarenal Abdom Aortic Aneurysm/Dissect, Aorto-Aortic Tube Prosthesis	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34802	Repair, Endovasc, Infrarenal Abdom Aortic Aneurysm/Dissect; Modular Bifurcated Prosth (1 Dock Limb)	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34803	Endovasc Repair Infrarenal Abd Aortic Aneurysm/Dissection; Using Modular Bifurcated Prosthesis (Two Docking Limbs)	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34804	Repair, Endovasc, Infrarenal Abdom Aortic Aneurysm/Dissect; Unibody Bifurcated Prosth	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34805	Endovascular Repair of Infrarenal Abdominal Aortic Aneurysm or Dissection; Aorto-Uniiliac or Aorto-Unifemoral Prosthesis	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34808	Placement, Endovasc, Iliac Artery Occlusion Device	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34812	Open Exposure, Fem Artery, Endovasc Prosth Delivery, Groin Incis, Unilat	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34813	Placement, Fem-Fem Prosth Graft During Endovascular Aortic Aneurysm Repair	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34820	Open Exposure, Iliac Art, Endovasc Prosth/Iliac Occlus, Abdom/Retroperi Incis, Unilat	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34825	Prox/Distal Extn Prosth, Infrarenal Abdom Aortic/Iliac/False Aneur/Dissection, 1st Vessel	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34826	Prox/Distal Extn Prosth, Infrarenal Abdom Aortic/Iliac/False Aneur/Dissection, Add'l Vessel	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34830	Open Repair, Infrarenal Aortic Anuers/Dissec, & Repair Art Trauma, Follow Endovasc Rep; Tube Prosth	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34831	Open Repair, Infrarenal Aortic Aneur/Dissec & Repair Art Trauma; Aorto-Bi-Iliac Prosthesis	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history

Regence Clinical Edit List

Applies to all Commercial Products (excl. Medicare)

Code	Description	Edit Type	Comments
34832	Open Repair, Infrarenal Aortic Aneur/Dissec & Repair Art Trauma; Aorto-Bifemoral Prosthesis	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34833	Open Iliac Artery Expose W/Conduit, Infrarenal Aortic/Iliac Endovas Prosth, Abdom/Retrop, Unilat	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34834	Open Brachial Artery Expose, Deploy Infrarenal Aortic/Iliac Endovas Prosth, Arm Incis, Unilat	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
34900	Endovascular Graft, Repair Iliac Artery	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
36514	Therapeutic Apheresis; Plasma Pheresis	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
36515	Therapeutic Apheresis; W/Extracorporeal Immunoabsorption & Plasma Reinfusion	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
36516	Therapeutic Apheresis, W/Extracorporeal Selective Adsorption/Selective Filtration & Plasma Reinfusion	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
36522	Photopheresis, Extracorporeal	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
37184	Prim art mech thrombectomy	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
37185	Prim art m-thrombect add-on	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
37186	Sec art m-thrombect add-on	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
37187	Venous mech thrombectomy	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
37188	Venous m-thrombectomy add-on	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
37205	Transcatheter Placement, Intravascular Stent, (Non-Coronary), Percutaneous; Initial Vessel	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
37206	Transcatheter Placement, Intravascular Stent, (Non-Coronary), Percutaneous; Add'l Vessel	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
37207	Transcatheter Placement, Intravascular Stent, (Non-Coronary), Open; Initial Vessel	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
37208	Transcatheter Placement, Intravascular Stent, (Non-Coronary), Open; Add'l Vessel	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
37500	Vascular Endoscopy, Surgical, W/Ligation, Perforator Veins, Subfascial	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
42120	Resection, Palate/Extensive Resection, Lesion	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
42140	Uvulectomy, Excision, Uvula	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
42145	Palatopharyngoplasty	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history

Regence Clinical Edit List

Code	Description	Edit Type	Comments
42160	Destruction of lesion, palate or uvula	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
42950	Pharyngoplasty (Plastic/Reconstructive Operation On Pharynx)	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
43647	Lap impl electrode, antrum	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
43648	Lap revise/remv eltrd antrum	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
43846	Gastric Restrictive Proc, Morbid Obesity. Roux-en-Y	Potential Investigational	Potential investigational, documentation required: Submit operative report and medical and treatment history
43881	Impl/redo electrd, antrum	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
43882	Revise/remove electrd antrum	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
50542	Laparoscopy, Surgical; Ablation, Renal Mass Lesion(S)	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
59076	Fetal Shunt Placement, Including Ultrasound Guidance	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
61793	Stereotactic Radiosurgery, 1+ Sessions	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
61885	Subq Placement Cranial Neurostimulator Pulse Generator/Receiver; W/Connection Sngle Electrode Array	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
61886	Subq Placement Cranial Neurostimulator Pulse Generator/Receiver; W/Connection 2+ Electrode Arrays	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
61888	Revision/Removal, Cranial Neurostimulator Pulse Generator/Receiver	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
63295	Osteoplastic Reconstruction Of Dorsal Spinal Elements, Following Primary Intraspinal Procedure (List Sep)	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
64553	Percutaneous Implantation, Neurostimulator Electrodes; Cranial Nerve	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
64560	Percutaneous Implantation, Neurostimulator Electrodes; Autonomic Nerve	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
64573	Incision, Implantation, Neurostimulator Electrodes; Cranial Nerve	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
64575	Incision, Implantation, Neurostimulator Electrodes; Peripheral Nerve	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
64580	Incision, Implantation, Neurostimulator Electrodes; Neuromuscular	Potential Investigational	Possibly investigational, documentation required: Submit operative report and prior treatment history.
64612	Chemodenervation, Muscle(S); Innervated, Facial Nerve	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history

Code	Description	Edit Type	Comments
64613	Chemodenevation, Muscle(S); Cervical Spinal Muscle(S)	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
64614	Chemodenevation, Muscle(S); Extremity(S) &/Or Trunk	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
64640	Destruction, Neurolytic; Other Peripheral Nerve/Branch	Potential Investigational	Possibly investigational, documentation required: Submit operative report
67345	Chemodenevation, Extraocular Muscle	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
69930	Cochlear Device Implantation, W/Wo Mastoidectomy	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
70554	Fmri brain by tech	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history and radiology report
70555	Fmri brain by phys/psych	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history and radiology report
75952	Endovascular Repair, Infrarenal Abd Aortic Aneurysm/Dissection Radiological S&I	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
75953	Placemnt, Prox/Distl Exten Prosths, Endvas Repr, Infrarnl Aortic/Iliac Art Aneur/Pseudony Dissec, S&I	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
75956	Xray, endovasc thor ao repr	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
75957	Xray, endovasc thor ao repr	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
75958	Xray, place prox ext thor ao	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
75959	Xray, place dist ext thor ao	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
75960	Transcatheter Introduction, Intravascular Stent(S), Non-Coronary Vessel, S&I, Each Vessel	Potential Investigational	Possibly investigational, documentation required: Submit operative and radiology reports
77371	Srs, multisource	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history.
77372	Srs, linear based	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history.
77373	Sbrt delivery	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history.
77432	Radiation Treatment Management, Stereotactic, Cerebral Lesion(S)	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
77435	Sbrt management	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
77520	Proton Treatment Delivery; Simple W/O Compensation	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history and radiology report.
77522	Proton Treatment Delivery; Simple W/Compensation	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history and radiology report.

Code	Description	Edit Type	Comments
77523	Proton Treatment Delivery; Intermediate	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history and radiology report.
77525	Proton Treatment Delivery; Complex	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history and radiology report.
89049	Chct for mal hyperthermia	Potential Investigational	Possibly investigational, documentation required: Submit pathology/laboratory report
89290	Biopsy, Oocyte Polar Body or Embryo Blastomere, Microtechnique; Less Than or Equal To 5 Embryos	Potential Investigational	Possibly investigational, documentation required: Submit prior treatment history.
89291	Biopsy, Oocyte Polar Body or Embryo Blastomere, Microtechnique; Greater Than 5 Embryos	Potential Investigational	Possibly investigational, documentation required: Submit prior treatment history.
91035	Esophagus, Gastroesophageal Reflux Test; W Mucosal Attached Telemetry Ph Electrode Placem, Recording, Analysis & Interp	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
91110	Gastrointestinal Tract Imaging, Intraluminal (Eg, Capsule Endoscopy), Esophagus Through Ileum, w Phys Interp and Report	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history and radiology report.
92597	Eval For Use &/Or Fitting Voice Prosthetic Device, Supplement Oral Speech	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
92607	Eval, Prescription, Speech-Generating Augmentative & Alternative Communication Device; 1st Hr	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
92608	Eval, Prescrip, Speech-Generating Augmentative & Alternative Communication Device; Ea Add'l 30 Min	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
92609	Therapeutic Services, Non-Speech Generative Device Use, W/Programming & Modification	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
92971	Cardioassist-Method, Circulatory Assist; External	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
92974	Transcatheter Placement, Radiation Delivery Device, Coronary Intravascular Brachytherapy	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
93745	Initial Set-Up And Programming By A Physician Of Wearable Cardioverter-Defibrillator	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
95806	Sleep Study, Unattended	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
96020	Functional brain mapping	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history and radiology report
96567	External Photodynamic Therapy, Each Phototherapy Exposure Session	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
96570	Endoscopic Photodynamic Therapy; 1st 30 Min	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
96571	Endoscopic Photodynamic Therapy; Each Add'l 15 Min	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
96920	Laser Tx, Inflammatory Skin Disease (Psoriasis); Total Area <250 Sq Cm	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
96921	Laser Tx, Inflammatory Skin Disease (Psoriasis); 250-500 Sq Cm	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
96922	Laser Tx, Inflammatory Skin Disease (Psoriasis); >500 Sq Cm	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
99183	Physician Attendance & Supervision, Hyperbaric Oxygen Therapy, Per Session	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
0041T	Urinalysis Infectious Agent Detection, Semi-Quantitative Analysis Of Volatile Compounds	Potential Investigational	Possibly investigational, documentation required: Submit pathology/laboratory report
0043T	Carbon Monoxide, Expired Gas Analysis	Potential Investigational	Possibly investigational, documentation required: Submit pathology/laboratory report
0048T	Implantation of a ventricular assist device, extracorporeal, percutaneous transseptal access, single or dual cannulation	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.

Applies to all Commercial Products (excl. Medicare)

Code	Description	Edit Type	Comments
0049T	Prolonged extracorporeal percutaneous transseptal ventricular assist device, >24 hrs, each subsequent 24 hrs	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
0050T	Removal of a ventricular assist device, extracorporeal, percutaneous transseptal access, single or dual cannulation	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
0051T	Implantation of a total replacement heart system (artificial heart) with recipient cardiectomy	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
0052T	Replacement/repair of thoracic unit of a total replacement heart system (artificial heart)	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
0053T	Replacement/repair of implantable component(s) of total replacement heart system (artificial heart) excl thoracic unit	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history.
0141T	Perq islet transplant	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
0142T	Open islet transplant	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
0143T	Laparoscopic islet transplnt	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
0145T	CT heart w/wo dye funct	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
0155T	Lap Ins Gastr Eltrd for MO	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
0156T	Lap Redo Gastr Eltrd for MO	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
0157T	Opn Ins Gastr Eltrd for MO	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
0158T	Opn Redo Gastr Eltrd for MO	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
0162T	Anal program gast neurostim	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
0174T	Cad cxr with interp	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
0175T	Cad cxr remote	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
0182T	HDR elec brachytherapy	Potential Investigational	Possibly investigational, documentation required: Submit operative report, medical and treatment history and radiology report
0183T	Low frequency, non-contact, non-theraml ultrasound, including topical application(s), when performed, wound assessment, and instruction(s) for ongoing care, per day	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
0184T	Excision of rectal tumor, transanal endoscopic microsurgical approach (ie, TEMS)	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
0185T	Multivariate analysis of patient specific findings with quantifiable computer probability assessment, including report	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
0186T	Suprachoroidal delivery of pharmacologic agent (does not include supply of medication)	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
0187T	Scanning computerized ophthalmic diagnostic imaging, anterior segment, with interpretation and report, unilateral	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history

Code	Description	Edit Type	Comments
A6550	Dressing set for negative pressure wound therapy electrical pump, stationary or portable, each	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
A9274	External ambulatory insulin delivery system, disposable, each, includes all supplies and accessories	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
C2614	Probe, Percutaneous Lumbar Discectomy	Potential Investigational	Possibly investigational, documentation required: Submit operative report
C9723	Dyn IR Perf Img	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
C9728	Place device/marker, non pros	Potential Investigational	Possibly investigational, documentation required: Submit operative report, medical and treatment history and radiology report
E0731	Conductive Garment For Tens/	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E0747	Elec Osteogen Stim Not Spine	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E0749	Elec Osteogen Stim Implanted	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E0752	Implantable neurostimulator electrode, each	Potential Investigational	Possibly investigational, documentation required: Submit operative report, history and physical, and consultation report.
E0756	Implantable Pulse Generator	Potential Investigational	Possibly investigational, documentation required: Submit operative report, history and physical, and consultation report.
E0760	Osteogen Ultrasound Stimltor	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E0765	Nerve Stimulator For Tx N&V	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E0786	Implantable Pump Replacement	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E0935	Exercise Device Passive Moti	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E2402	Negative pressure wound therapy electrical pump, stationary or portable	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E2500	Speech generating device, digitized speech, using pre-recorded messages, 8 min. or less	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E2502	Speech generating device, digitized speech, using pre-recorded messages, 8-20 min.	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E2504	Speech generating device, digitized speech, using pre-recorded messages, 20-40 min.	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E2506	Speech generating device, digitized speech, using pre-recorded messages, over 40 min.	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E2508	Speech generating device, synthesized speech, requiring message formulation by spelling	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E2510	Speech generating device, synthesized speech, permitting multiple methods	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E2511	Speech generating software program, for personal computer or personal digital assistant	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E2512	Accessory for speech generating device, mounting system	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
E2599	Accessory for speech generating device, not otherwise classified	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
G0173	Stereo Radoisurgery,Complete	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history.
G0235	PET not otherwise specified	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history and radiology report.
G0295	Electromagnetic Stimulation, To One Or More Areas	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history

G0389	Ultrasound exam AAA screen	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
J7308	Amniotransferrin acid HCL for topical administration, 20%, single unit dosage form (354 mg)	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
J7342	Dermal Tissue, Of Human Origin, With Or Without Other Bioengineered Or	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
J9600	Porfimer Sodium	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
K0606	Automatic external defibrillator, with integrated electrocardiogram analysis, garment type	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
K0607	Replacement battery for automated external defibrillator, garment type only, each	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
K0608	Replacement garment for use with automated external defibrillator, each	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
K0609	Replacement electrodes for use with automated external defibrillator, garment type	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
L1500	Thkao Mobility Frame	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
L1510	Thkao Standing Frame	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
L8606	Synthetic Implnt Urinary 1ml	Potential Investigational	Possibly investigational, documentation required: Submit operative report
L8614	Cochlear implant system	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
L8619	Replace Cochlear Processor	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
L8690	Aud osseo dev, int/ext comp	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
L8691	Aud osseo dev ext snd proce	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
L8695	External recharg sys extern	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history
Q0480	Driver pneumatic vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0481	Microprcsr cu elec vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0482	Microprcsr cu combo vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0483	Monitor elec vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0484	Monitor elec or comb vad rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0485	Monitor cable elec vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0486	Mon cable elec/pneum vad rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0487	Leads any type vad, rep only	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0488	Pwr pack base elec vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0489	Pwr pck base combo vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0490	EMR pwr source elec vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0491	EMR pwr source combo vad rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0492	EMR pwr cbl elec vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history

Regence Clinical Edit List
Potential Investigational Full List
Applies to all Commercial Products (excl. Medicare)

Code	Description	Edit Type	Comments
Q0493	EMR pwr cbl combo vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0494	EMR hd pmp elec/combo, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0495	Charger elec/combo vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0496	Battery elec/combo vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0497	Bat clps elec/comb vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0498	Holster elec/combo vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0499	Belt/vest elec/combo vad rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0500	Filters elec/combo vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0501	Shwr cov elec/combo vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0502	Mobility cart pneum vad, rep	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0503	Battery pneum vad replacemnt	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0504	Pwr adpt pneum vad, rep veh	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
Q0505	Miscl supply/accessory vad	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
S0515	Scleral Lens Liquid Bandage Device Per Lens	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
S2235	Implantation of auditory brain stem implant	Potential Investigational	Possibly investigational, documentation required: Submit operative report and medical and treatment history.
S2401	Repair urinary tract obstruction, in utero	Potential Investigational	Possibly investigational, documentation required: Submit operative report, medical and treatment history
S2402	Repair cystic adenomatoid formation, in utero	Potential Investigational	Possibly investigational, documentation required: Submit operative report, medical and treatment history
S2403	Repair extralobular pulmonary sequestration, in utero	Potential Investigational	Possibly investigational, documentation required: Submit operative report, medical and treatment history
S2405	Repair sacrococcygeal teratoma, in utero	Potential Investigational	Possibly investigational, documentation required: Submit operative report, medical and treatment history
S2409	Repair congenital malformation, in utero	Potential Investigational	Possibly investigational, documentation required: Submit operative report, medical and treatment history
S3843	DNA analysis of the f5 gene for susceptibility to factor v leiden thrombophilia	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
S3844	DNA analysis of the connexin 26 gene (gjb2) for susceptibility to congenital, profound deafness	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
S3845	Genetic testing for alpha-thalassemia	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
S3846	Genetic testing for hemoglobin e beta-thalassemia	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
S3847	Genetic testing for tay-sachs disease	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
S3848	Genetic testing for gaucher disease	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
S3849	Genetic testing for niemann-pick disease	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history
S3850	Genetic testing for sickle cell anemia	Potential Investigational	Possibly investigational, documentation required: Submit medical and treatment history

Regence Clinical Edit List
